CALL FOR PAPERS SUBMISSION OF ABSTRACTS

How to submit an abstract for a paper or poster presentation

Presenters at the XIIIth International Congress of Egyptologists (XIIIth ICE), “The Future of Ancient Egypt”, will represent the broadest range and highest standard of Egyptology.

Presentations are welcomed in the form of a **20 minute paper** or a congress **poster**. Prospective participants presenting a paper or a poster must hold at least a Master’s degree and a valid membership of the International Association of Egyptologists (www.iae-egyptology.org/how-to-join).

Submission deadlines:

Abstracts for papers can be submitted from 6 August until **1 October 2022** by completing the registration form at:

www.ice2023.com/en/registration-participants.

Abstracts for posters can be submitted from 6 August 2022 until **1 October 2022** (early registration) or **31 May 2023** (late registration) by completing the registration form at:

www.ice2023.com/en/registration-participants.

Abstract specifications:

- The congress languages are English, Arabic, French, and German, but all abstracts must be submitted in either **English or Arabic**.
- The title must not exceed **200 characters** including spaces.
- Abstracts must be no longer than **1800 characters** including spaces.
- Peer review of submitted abstracts will determine acceptance.

All paper abstracts and the early registered poster abstracts will be **peer reviewed** by the XIIIth ICE Scientific Committee, and the results communicated to the authors by 15 December 2022. The peer review results of late registered poster abstracts will be communicated before 1 July 2023.
